INGLEWOOD TOWN HALL COMMITTEE SUPPORTS THE NEW TOWN HALL HUB PROJECT

It is with great excitement that the Inglewood community moves closer to the opening of the Town Hall Hub. Planning began back in 2010 when an \$30,000 funding application for a Feasibility Study was won. Lesley Humphries facilitated the Inglewood Focus on Feasibility Report and Strategic Plan that was presented to Shire in March 2011 and the rest, as they say, is history.

In a few short weeks the facility will be open and the ICNH - Inglewood Community Neighbourhood House will move in.

On August 11th **Colleen Condliffe**, Vice President of ICNH and **Kim Hanlon**, Centre Manager were delighted to accept a cheque for \$2,500 from **Town Hall CoM** representatives, **Don Walker** and **Alan Saunders**. This donation will go towards the purchase of Board Room tables for the new Hub. The Town Hall CoM has also contributed to the project through the restoration of the original Mayoral Chair and Board Room table that will remain on show and a valued community asset that will always remind us of our past, present and future.

ORDINARY COUNCIL MEETING : 3:00pm

TUESDAY 13th Sept 2016
Wedderburn Council Offices
41 High Street, Wedderburn

MAYORAL COLUMN - 22nd August 2016

Handing the keys back to the community

Council is looking forward to handing the keys to Inglewood's refurbished town hall and adjacent community centre to the people who will treasure it.

Power has been connected to the building and finishing touches are all that remain on the two level community centre.

Our operations team anticipates contractors will have vacated the site by the end of the month and passed the keys to Council for safekeeping.

We'll make a detailed inspection of the facility and tie up any loose ends before officially handing the keys over to the community.

This project is a wonderful example of all that can be achieved when an engaged community works hand in hand with business and government.

I would like to take this opportunity to thank the Town Hall Reference Group, and in particular residents who donated their time to guide this project from the outset.

The project also wouldn't have come to fruition without the joint financial backing of local, state and Australian governments, along with a generous contribution from the Inglewood and District Community Bank.

At this stage it's anticipated the town hall and community centre will have its doors swung open to the public **by early October**.

Landscaping works including paving and turf around the centrally located buildings have been proposed.

The matter is expected to be discussed at the Council meeting scheduled to be held at the Wedderburn Council Offices today (Tuesday 23 August).

Australia Day Award nominations open

While Australia Day may be a while away, it's time to consider who we should honour with an award nomination.

Nominations are now open for a range of awards designed to acknowledge outstanding individual and community contribution within Loddon Shire.

The community contribution may support values such as a fair go for all, concern for the environment, sport or cultural diversity.

Nominations for the awards close on Friday 7 October.

Forms are available at www.loddon.vic.gov.au, by dropping into the Wedderburn Council Office or contacting Shannon Brown by phoning 0429 380 465 or emailing loddonausday@bigpond.com.

Aussie art and literature competitions

Budding artists, writers and photographers are encouraged to harness their creativity by participating in competitions being conducted as part of Loddon Shire's Australia Day celebrations.

Categories include a colouring competition for prep to grade two children, a "local fauna or flora" photographic competition with junior through to open categories and a literature competition for school aged children.

The competitions are free to enter but entries must be submitted by 4pm on Friday 16 September.

For further information, including detailed topic information, download an entry form from www.loddon.vic.gov.au, contact Shannon Brown on 0429 380 465, email loddonausday@bigpond.com or drop into the Wedderburn Council office.

2016 KOOYOORA WILDFLOWER SHOW PHOTOGRAPHIC COMPETITION ENTRIES NOW OPEN

Preparation are well under way of the 10th Annual Kooyoora Wildflower Show, to be held at the Inglewood Eucy Museum over the weekend of the **17th and 18th of September**.

This years event will mark the 10th Anniversary of the Kooyoora Wildflower Show conducted by the Friends of Kooyoora (State Park)

The Friends of Kooyoora also conduct a number of guided bus tours into the Kooyoora State Park during the weekend, which in addition to the wildflower tour leaders, also included bird, butterfly and indigenous specialists on some tours.

A main feature of the Show is the Photographic Competitions and Displays; which has become one of central Victoria's largest and most prestigious of its type. Entries are now available for this competition with entries closing on Monday 14th Sept.

The Competition attracts over 100 entries in the categories of local Landscapes, Flora and Fauna. Each category is held in the age groups sections of Open, under 18 and under 12.

The competition is unique with the all the entries being displayed over the weekend of the Wildflower Show and the place getters in each category and each section being determined by popular choice from votes cast by the attending public.

The method of judging provides a total interactive experience between the show attendees and the photographic display / competition. This feature has proven to be both popular with the public and exhibitors also gain a greater satisfaction having their work recognized by a popular vote rather than if judged by a single individual.

The votes cast over the weekend are counted on the Sunday with placegetters being announced and prizes presented at the end of the Show. First, second and third placegetters are awarded in each category and section. In addition to the 27 placegetters prizes awarded for the competition, a number of encouragement awards are also made. Award winners who will not only achieve the prestige of being recognized by the judging public attending the Show but will share in a cash and prizes worth in excess of \$1000.

This Competition provides the opportunity for new and up coming photographers to compete, display, sell their works and become more recognized. In order to stimulate the opportunity for a regular turnover of successful exhibitors the first place winners of each of the previous year's Open Sections are restricted from re-entering the same category they won in the following year.

The competition display is complemented with the previous years Open winners being invited to display some of their current and previous award winning works, adding to the range of additional high quality works that will be on exhibition. 2015 Open section winners were: Landscape – Brian Boyton (Wedderburn); Fauna – Anthony Blackley (Rheola); Flora – Ric Raftis (Wedderburn).

Full details of the Shows Program and Photographic Competition Entry Forms and conditions of entry are now available from www.kooyoorafriends.org.au

INGLEWOOD PRIMARY SCHOOL NEWS

READING AT HOME: Our younger students now have the opportunity to borrow a picture story book from our 'Borrowing Box' out the front of our assembly/library area. All they need to do is choose a book from the box and record their name against the title on the borrowing sheet. Parents will be doing their children a great favour by reading/sharing a story with them once or twice a week, to strengthen their love of books and literature.

COMBINED ACTIVITY DAY: Our students joined Bridgewater Primary children & Staff at St Marys Primary to participate in the 'Step Back In Time' combined activity day. The students were involved in a number of old-time games and dance sessions and also walked down to the Courthouse for a re-enactment performed by the Historical Society. All the students enjoyed a salad-roll lunch provided by St Marys, with fruit from Bridgewater and cakes/slices from Inglewood. The array of cakes and slices from our families was amazing. Mrs Luckman (our Kitchen/Garden coordinator) was particularly impressed with a number of our students who did the cooking themselves at home, which shows our weekly Cooking/Gardening program is providing them with the skills to cook for themselves.

A VERY WELCOME DONATION: We have been fortunate to receive a cheque for \$2100 from 'New Horizons' – a not-for-profit Welfare Service in Bendigo, in conjunction with the Anglican Church. It was presented by our local Anglican Minister, Mr Alipate Tuinea. This generous donation will be shared with Bridgewater Primary and go towards the cost of the combined Year Two camp later in the year. It will also be used to provide a special day out for all our students as a reward for their efforts in the School Wide Positive Behaviour Strategy. We thank New Horizons & the Anglican Church for this very welcome donation.

ST. MARY'S SCHOOL INGLEWOOD NEWS

It's hard to believe that Term 3 is almost over! The rain has kept falling, which has made it hard for things to dry up! We have enjoyed a busy term, with many highlights. Term 3 ends on Friday, 16th at 2:20pm. Term 4 begins on Monday, 3rd October.

Book Week

The second last week in August is where we celebrated Book Week. The Kinder children were invited to attend our annual book parade and everyone dressed up in the theme of Australiana.

Sandhurst Arts on Show

The children in Grades 3-6 performed beautifully in the Sandhurst Arts on Show event in Shepparton. Each of the children had a role in their production. The Grade 3/4s performed a play called 'Trip to the Beach' and the Grade 5/6s performed a play called 'Television Time'.

We are Becoming Power Readers!

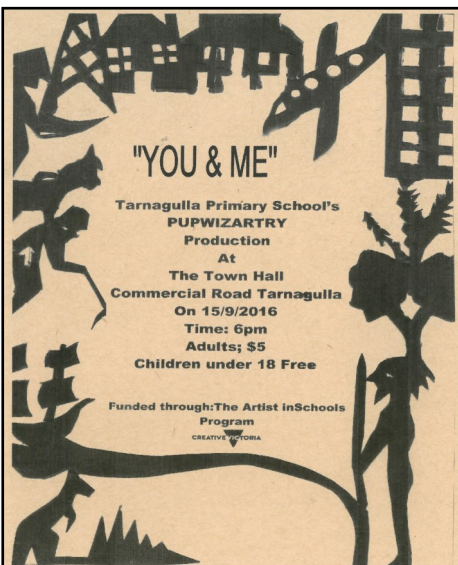

Reading is Thinking! So, as a school we are focussing on becoming Power Readers. There are 5 key points that we are focussing on to help us to think more about what we are reading. The first of these is Connections.

Matilda the Musical

The children and staff are lucky enough to be able to attend Matilda the Musical on Wednesday, 7th September. They are taking a bus for the day and are very much looking forward to seeing the show!

End of Term Mass

We will celebrate our End of Term Mass on Friday, 9th September at 10am. St. Patrick's PS Pyramid Hill will be joining us for the day. We will also be celebrating an Indonesian day. We hope everyone has a relaxing school holiday. Good Luck to any sporting teams competing in finals at the moment.
